

Applicant requirements

Job Title: Senior Veterinary Surgeon

Rota: 4 days in 7
No after hours duties (covered by EVES)

Essential requirements:

- RCVS registered
- Competent in surgery and medicine
- Exceptional consultation skills and communication skills
- Someone with a passion for Veterinary medicine and surgery -those merely looking for a “Veterinary position” need not apply!
- Loyalty, honesty and dedication to the Practice
- Able to do sole charge
- An understanding of the demands and requirements of running a Veterinary business

Other non-essential but desirable attributes:

- ❖ Desire for long term commitment
- ❖ Postgraduate qualification
- ❖ Experience with Exotic Cases

We are looking for a special individual who has a positive attitude and who will work with the management team to create an environment where EVERYONE works as a team to give the best to the patients, clients and each other. The Veterinarian sets the tone for the day; therefore we are looking for someone who takes responsibility for creating and steering practice morale in a positive direction. We pride ourselves on giving exceptional customer service and support to our loyal and very much loved client base. We believe passionately in alleviating both the stress and pain of any animal and expect an exceptionally high level of compassion and gentleness towards all species.

We offer the opportunity to work up all cases and put great emphasis on an accurate diagnosis in order to not prolong suffering of the animal, who are our first and foremost concern.

Good nursing staff and modern facilities

All reasonable CPD requests, which are in line with practice goals, will be considered.

Finally, you will have the unique opportunity to work in a “family” environment where individuals are able to grow and perform to the best of their abilities. You will be able to carve out a successful career within the practice as we grow and improve with developments in Veterinary techniques and equipment.

Please send your CV with covering testimony and references to admin@palsloe-cranbrookvets.com. All candidates will be contacted within three weeks of applying if we require you to attend an interview.

Assuring you of our best service for you and your pet 24 hours a day
